History of the Advent Wreath

Like so many of our Christian customs, the Advent Wreath is an adaptation of an ancient practice that dates back to Pre-Christian times. Candles were lit around a wheel during the festival of the winter solstice to celebrate the return of gradually lengthening daylight. The Advent Wreath retains this circular shape with four candles. These candles now represent the four weeks of Advent in glad anticipation of the birth of Jesus. Advent culminates with Christ's coming. To celebrate this great event, the white candle symbolizes Christ's birth, and is lit on Christmas Day.

What is Georgia Christian Dance Theatre?

Georgia Christian Dance Theatre, the official company of the Buford School of Ballet, was founded in 1997 by Bernadette Campbell as a pre-professional dance company. The program strives to create a Christian environment for the dancers, recognizing that the gift of dance comes from God. The company serves as a performing outlet for talented and dedicated young dancers, as well as a stepping-stone for those who wish to pursue dance at a college level or a professional career.
